

# Sharing Riches of my Soul

100 yards of hand-dyed fabric, thought provoking lyrics and mesmerizing music are the main ingredients of this newly created body of work inspired by Cat Stevens ballads. Join **Anna Hergert** as she invites everyone in sharing the riches of the soul: "Run your fingers through my soul. For once, just once, feel exactly what I feel, believe what I believe, perceive as I perceive, lo, experience, examine, and for once, understand."
