

# I need an edge

kid rides a sledge  
drives a wedge  
in the snow at 20 below

I've taken a pledge  
tequilas my wedge  
through days slow and low

I don't want a wedge  
when I'm trying to hedge  
my dough at BMO

I bedja yr wedja  
whose edja can cudja  
yr bloody nose and clothes

go strick you wedge  
where the sun don't shine  
in your own so and so  
that's my pledge bro

people are keen  
on a simple machine  
give em the gears  
abascus counts years

give me my wedge  
I need an edge  
let's start to pull apart  
whatever needs a break today  
stick in your wedge okay  
ok my goodness gracious sake  
heavens to betsy reg  
what a fine wedge  
go slow Reg go slow  
oh oh oh oh oh  
you old so and so
